Provide a statement as to why you are interested in coaching a Norsemen team:

Please describe your coaching philosophy:

By signing below, you agree to the following statements.

1. As a Norsemen coach, I will be responsible for conducting myself as a positive role model for the players of my team. As a positive role model, I will accept responsibility for my behaviors and conduct. I will provide an equal opportunity for our youth to learn the game and share in the enjoyment of athletics. I will provide a supportive environment that promotes fun and encourages development to his/her maximum potential in the game of hockey. In doing so, I will foster an environment of teamwork, sportsmanship and fellowship.
2. As a Norsemen coach, I understand that inappropriate behavior of the coach could result in disciplinary action by the Norsemen Board of Directors who have the authority to remove a coach at any time if it is determined to be in the best interest of the Norsemen and its members.
3. As a Norsemen coach, I agree to satisfy all of the coaching requirements set forth by AAU Hockey. This includes, but is not limited to, AAU Non-Athlete Membership, Positive Coaching Alliance Training and Heads Up Concussion Training. Furthermore, I understand that there are deadlines in satisfying these requirements and if I fail to meet those deadlines, I will be removed from any and all Norsemen coaching positions.
4. As a Norsemen coach, I agree to follow and enforce all of the Norsemen policies that are set forth for teams, players and coaches.
5. If applying for the 7U coach position, I understand that it is an introductory tournament team. The players will play with their house 8U team with supplemental full-ice practices (approximately 8-10) and 2-3 tournaments. The per player budget is approximately \$500 (\$100 of which is for jerseys) as they will be paying for house hockey as well.
6. If applying for the 8U coach position, I understand this is a MAYHL League team, which includes approximately 2 practices per week, 1-2 games per week and 2-3 tournaments. The per player budget is approximately \$2400 (\$100 of which is for jerseys if needed).
7. I certify that all of the information I have provided is true and accurate to the best of my knowledge.
